Dear Sir,

I urge you to vote NO to permitting the ACP. This project will be an unhealed scar on our state. It will damage our environment and tourism forever and produce few high paying jobs for North Carolinians.

Don't let Duke Energy's money and power influence you when the people on the front lines of the pipeline cry "NO", our lives will be destroyed by the pipeline, and when the pipeline leaks, Duke will raise our power bills to pay for cleanup. Let the coal ash debacle be a lesson. What will your legacy be?

PLEASE REPRESENT THE PEOPLE OF THE STATE. DON'T PERMIT THE ACP.

SINCERELY YOURS,
